## Meetings and Conferences with a Personal Touch

We provide two comfortable conference rooms with pleasant ambience and natural lighting. Both rooms are equipped with state-of-the-art conference and presentation technology.

With several customized conference packages to choose from, you can focus on what is most important to you – a successful event. Dedicated members of our conference staff will assist you throughout the entire process. From preparing a personalized offer to organizing your individual event – we will go over every detail with you. Your meeting or conference will not be “just another event” for us; we will treat it as our first priority.

We look forward to serving you!
